Dear Mr. Jones:

This letter responds to your April 9, 2013, Freedom of Information (FOIA) request for a list of all FOIA requests received from 2009 through 2012, the status of those requests and the names or organizations of the filers of the requests.

The enclosed CD is released to you in full. In response to your request for a fee waiver, to qualify, requesters must specifically show:

- (1) How the records concern operations or activities of the government.
- (2) How the disclosed portions are meaningfully informative on government operations.
- (3) How disclosure will contribute to the understanding of the public at large, as opposed to the requester or a narrow segment of persons.
- (4) How disclosure will contribute significantly to public understanding of government operations or activities.
- (5) In addition, you must state what your commercial interests are in disclosure and describe how you will actively disseminate the information to the general public.

Based on the justification in your request, the fee waiver is denied; however, no fees are assessed for processing this request. Should you have further questions, please contact Ms. Kathy Dixon, DLA Headquarters FOIA and Privacy Officer, at 703-767-6183 or [kathy.dixon@dla.mil](mailto:kathy.dixon@dla.mil). Please reference FOIA case number 13-HFOI-00088 in any subsequent communication.

Sincerely,

D. Rix Edwards  
Associate General Counsel
